Lab evaluation

efrei - 2020
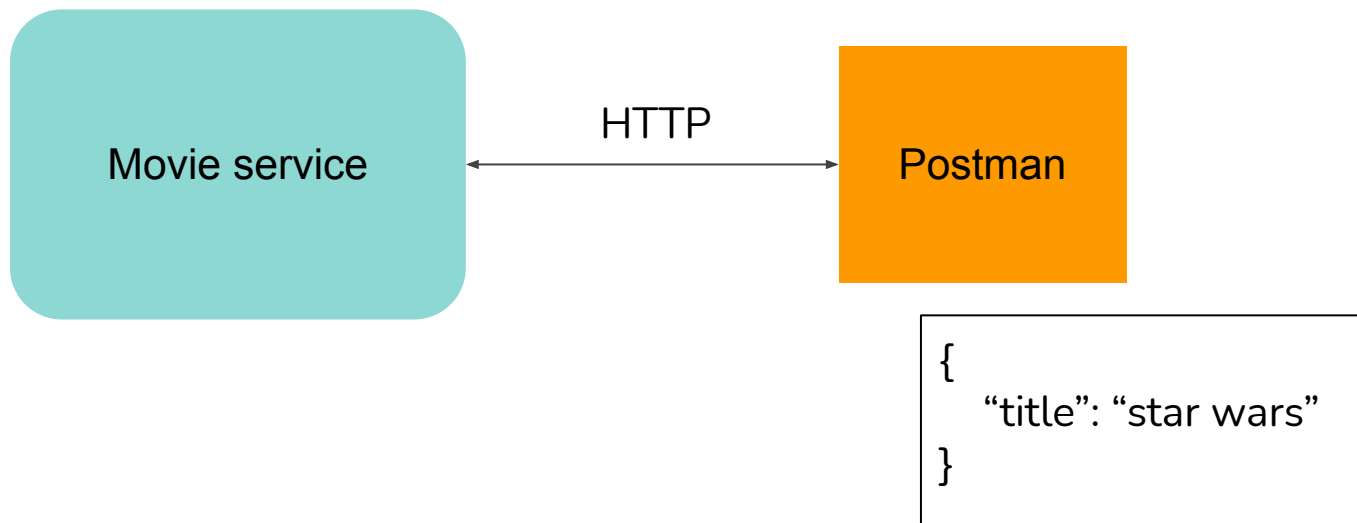

What you've done so far
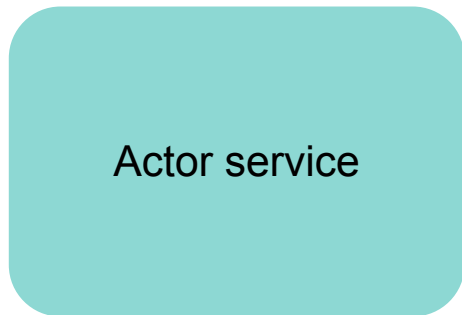

Lab 1
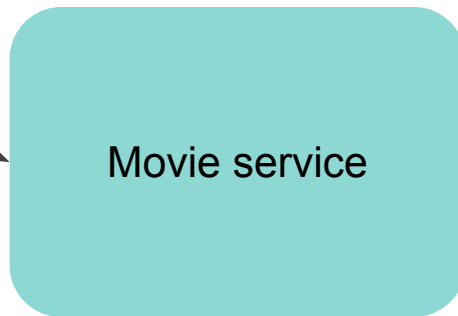

Movie service ←HTTP→ Postman

```
{
    "title": "star wars"
}
```

Lab 2

Actor service

HTTP

Movie service

HTTP

Postman

```
{
    "title": "star wars"
    "actors": [
        {
            "name": "harrison ford"
        }
    ]
}
```

Evaluation

Option 1 : Written report

- Tests cases and results without and with circuit breaker (lab 2)

- Screenshots and some basic explanations of what you've done for lab 3

Option 2 : a video with loom

- [Loom: Video Messaging for Work](#)

- Make a demo of your work for lab 2 and 3 (same content as written report)

You're free to use another video platform

Deadline

- 5th of january 2021 at 8pm

- A PDF document following the pattern **<name1-name2.pdf>** containing :
  - your report

    or
  - a link to your loom video

One more thing

Lab 4 won't be graded
